East Ham's War Memorial

The names of over 2,000 local men who gave their lives in the Great War of 1914-1918 are publicly recorded on bronze panels in the Entrance Hall of this Hospital.

Is it possible to conceive a more fitting manner in which to perpetuate their memory?

If you lost a near, or dear one, why not commemorate the occasion by sending an Annual Subscription?

The President of the Hospital.

FORTY-SIXTH ANNUAL REPORT OF THE BOARD OF GOVERNORS.

FOR THE YEAR 1947.

The Board of Governors begs to submit to the Governors, Donors, and Subscribers its Report for the year ended 31st December, 1947.

It is with regret that the Board records the deaths of Mr. W. Dennison and Mr. A. J. Elson. Deep sympathy is extended to Mrs. Dennison and Alderman Elson in their loss.

Obituary.

The Board tenders hearty congratulations to Alderman T. W. Burden, M.P., J.P., a Life Governor of the Hospital, on his appointment as a Commander of the Most Excellent Order of the British Empire.

Congratu-
lations.

It is with sorrow and regret that the Board received the resignation of the Right Honourable Lord Leathers, P.C., C.H., as President of the Hospital. His Lordship intimated that pressure of work made it impossible for him to devote the time he considered necessary to the post, and it was with great reluctance that his resignation was accepted.

President.

Mr. J. W. Lohden, J.P., the Chairman of the Hospital, was invited to accept nomination as President of the Hospital, and it is with pleasure that the Board reports that Mr. Lohden was able to accept this invitation.

Alderman Mrs. A. Taylor, J.P., was elected during the year to fill a vacancy on the Governing Body.

Board of
Governors.

Year by year the demands on the services of the Hospital have increased and the year under review is no exception, in fact, the volume of work of all Departments during 1947 is the highest ever recorded. Particulars of this work are shown in detail on pages 18 and 30.

Work of
the year.

The number of Cots in the Children's Ward was increased from 30 to 37 on the 10th July, thereby increasing the total Bed Complement of the Hospital from 131 to 138.

The complete re-equipment of the X-ray Department with modern shock proof apparatus was carried out during the year.

An electrically heated Food Trolley, an Electric Refrigerator, and new Tubular Metal Screens were provided for each of the six Wards.

A Cambridge Electro-Cardiograph costing £260 was very generously presented to the Hospital during the year, by the East Ham Civil Defence Association.

A new two-Station Radio Receiver which is connected to each of the 101 Adult Beds in the Hospital, was also provided, and a new pair of Earphones for each Bed, costing £70, were generously presented by the East Ham Women's Voluntary Services.

The provision of refreshments for Out-Patients has for sometime been a matter of concern to the Board, but lack of accommodation has prevented steps being taken to provide this necessary service. Again, the East Ham Women's Voluntary Services has come to the assistance of the Hospital by providing and completely running a mobile Canteen close to the Out-Patient Waiting Hall. This service is much appreciated by the patients, and the Board is grateful to these Ladies for making it possible.

To ensure that the highest possible standard of catering was provided for the Patients and the Staff, the full-time post of Catering Officer was created and filled during the year. The Board is pleased to report that this step has proved successful.

On the 5th December the Hospital was approved by the Central Midwives Board for giving instruction and carrying out the test of proficiency in the essentials of Obstetric Analgesia, and in the use of recognised apparatus.

A Joint Preliminary Training School for Nurses, in conjunction with Queen Mary's Hospital, was established during the year. A Freehold property, "The Pollards," Albion Hill, Loughton, was purchased for this purpose, at a cost of £8,500. Certain alterations and adaptations to the building will be necessary and are estimated to cost £4,756. The furnishing and equipping of the School is estimated to cost £2,275. When completed accommodation will be provided for 17 Student Nurses, and the necessary Tutorial and Domestic Staffs.

The Board would like to take this opportunity of expressing its appreciation of the spirit of co-operation which has been shown by the Chairman, General Committee, and Chief Officers of Queen Mary's Hospital in the carrying out of this joint scheme.

The Board regrets to report that no progress has been made in the re-building of the demolished Boiler House, Main Kitchen, Staff Dining Rooms and Corridor. Plans, Bill of Quantities, and Tenders have been in the hands of the Ministry of Health since April, 1947, and all subsequent efforts to secure the necessary Licences, have so far been unsuccessful. The Members of Parliament for East Ham have now been asked to receive a deputation from the Hospital, in an attempt to overcome this undue delay.

National
Health
Service.

The National Health Service Act, 1946, comes into force on the 5th July, 1948. On this, the "Appointed Day," all Voluntary, Municipal and Mental Hospitals, with few exceptions, are to be transferred to the Minister of Health. For purposes of administration, England and Wales, is divided into 14 areas, each based on a University and controlled by a Regional Hospital Board appointed by the Minister. This Hospital is included in Area No. 6 under the North-East Metropolitan Regional Hospital Board. Each area is sub-divided into Groups of Hospitals, each Group managed by a Hospital Management Committee appointed by the Regional Board. This Hospital is included in Group 9 (West Ham) which is made up of the following Units :—

Queen Mary's Hospital, including Hillingdon House,
Harlow.

East Ham Memorial Hospital.

St. Mary's Hospital, Plaistow.

Plaistow Maternity Hospital.

Invalid and Crippled Children's Hospital, Plaistow.

Forest Gate Hospital.

Plaistow Fever Hospital.

East Ham T.B. Dispensary.

West Ham T.B. Dispensary.

Two West Ham T.B. Dental Clinics.

Each Hospital in a Group will probably have its own House Committee. At the invitation of the Regional Board, the names of six members of the present Board of Governors and three members of the Medical Staff, have been submitted as nominees for membership of the new Hospital Management Committee.

Conclusion.

In concluding this, its 46th and last Report, the Board of Governors would ask the many friends of the Hospital to consider in retrospect the task achieved since its Foundation in 1897. Well over quarter of a million patients have been treated, and well over half-a-million pounds has been raised by voluntary effort. No higher tribute could be paid to the numerous and generous supporters of the Hospital than to quote this achievement; an achievement typical of the charitably minded people of this country.

On the 5th July next the Hospital, a modern building with considerable facilities for extension, with modern

equipment, and an excellent staff, but with much still to be done to reach a state of perfection, enters a new era. The Board has made every effort to ensure that an efficient Hospital, worthy of the County Borough, which name it bears, is transferred to the Minister, and it is confident that as in the past, it will continue its high standard of service for the sick and suffering and play an important part in the new Health Service of the country.

On behalf of the Board of Governors,

J. W. LOHDEN, *Chairman.*

REGINALD PERRY, *Secretary Superintendent.*
